## Another Happy Plate and Kiwis Tour Guide Owner...

Hi Pete,

On Saturday morning I received your book The 2015 Kiwis Rugby League Tour to England and the commemorative plate manufactured by Gary Clarke. You're a great double act: the game is indebted to the both of you and is all the richer for your involvement. I spent the greater part of Saturday reading the book and only put it down to watch the Warriors demolish the Raiders! The book gives me a written and illustrated record of the magnificent recent achievements of the Kiwis (and of those involved) and ahead to the Kiwis' English tour later in the year. As someone who wasn't an avid collector of rugby league memorabilia, between your newsletters, books and plates etc. you're keeping me up to date with everything happening in our great game. Many thanks.

Yours in rugby league,

Colin MacKenzie Christchurch
